TERMS AND CONDITIONS

Keep a copy of this application for your records.

The WORLD GIFT CARD™ Program is a minimum 12 month commitment. Cancellation of the service prior to the end of the agreement term accelerates the payment of all unamortized monthly fees (i.e., with a \$25 monthly maintenance fee and six months remaining in the initial term, the termination fee would be \$150.00). Due to economic conditions, program fees may change at any time. Cancellation of the WORLD GIFT CARD™ Program must be in writing to Gift Card Systems, Inc., 1321 Precision Drive, Suite 300, Plano, TX 75074 AND AN ACKNOWLEDGEMENT FROM GIFT CARD SYSTEMS, INC. MUST BE RECEIVED BY THE CARD ISSUER PRIOR TO SERVICES AND BILLING BEING TERMINATED. Gift card program cancellation notices addressed to the card issuers' merchant service provider are invalid.

Gift Card Systems, Inc. must be advised of any change in merchant name, address, ownership or ACH (banking) information. Non-payment of fees for any reason may be cause for the suspension of services; non-payment as a result of card issuer NSF or Uncollected Funds will incur a \$15.00 (or the maximum allowed by state law) service fee. Billing for any fees normally falls on the first business day of the month following the month being billed.

Gift Card Systems, Inc. shall not be held liable for any use of the WORLD GIFT CARD™ Program other than for its' lawful, intended purpose. If the card issuer sells the business, the acquiring entity must assume the liability of the outstanding gift card balances.

Gift Card Systems, Inc. makes no warranty of service, express or implied, and cannot be held liable for any failure of service beyond its control, including, but not limited to network operations, telephone service outages, equipment failure, vendor performance, etc. Gift Card Systems, Inc. advises all users of the WORLD GIFT CARD™ Program that maintenance of the system may be required. From time to time, or in the case of emergencies, the system may be taken offline. Every effort will be made by Gift Card Systems, Inc. to minimize disruption to users. Lost or stolen cards are the responsibility of the cardholder.

Artwork provided by card issuer for a custom card must be a PC (not Mac) digital file in an acceptable format, unflattened, preferably in CMYK at minimum of 300+DPI sized to 3.5"x2.25". If there are any questions about this requirement refer to the WORLD GIFT CARD™ Artwork document. The card issuer agrees to indemnify and hold Gift Card Systems, Inc. harmless from any action stemming from the content printed on the card.
